RADER PHYSICAL THERAPY

CLINIC POLICY

833-853-1392

Please carefully review the following guidelines concerning your scheduled visits at Andrew Rader USAHC Physical Therapy Clinic. Late cancellations and NO-SHOWS greatly impair our ability to provide the best care possible to our patients, increases wait times, slows each patient's rehabilitation progress and eliminates an appointment that could have been used by another patient. Each no-show costs the Rader PT Clinic approximately $70. Use your camera phone to take a picture of this sheet with the phone numbers on it.

1. If you cannot make your scheduled appointment, please call the PT Clinic or Central Appointments (855-227-6331) as soon as possible (preferably within 24 hours) of your appointment to **CANCEL**. This allows our team to schedule other patients into that appointment slot. Please be considerate to your fellow patients because an appointment missed by you is an appointment missed by TWO. If you do not contact the clinic prior to scheduled time, the clinic will be consider your failure as a **NO-SHOW**. It is important to ensure that your correct phone number is listed in DEERS.
2. If a patient no-shows 2 or more appointments within a consecutive 30-day period, his/her chain of command may be notified of the missed appointments. We may recommend a negative counseling for the missed appointment using the DA4856 on the back of this sheet. A comment will be placed in the patient's electronic medical record documenting the missed appointments.
3. Patients who **NO-SHOW** on **3** separate occasions without good cause will have future appointments discontinued, their chain of command notified, and may be referred back to their primary care provider. Also patients who **NO-SHOW** will be called and advised that future appointments may be discontinued. Patients may be allowed to schedule additional appointments only at the discretion of the Chief, Physical Therapy.
4. Please be courteous to other scheduled patients and arrive to your appointments on time. If you are more than 10 minutes late, your will be considered an **NO-SHOW** and may be rescheduled at the discretion of the NCOIC and the treatment team given potential conflicts with other established patient's appointments. If you are going to be late, please call the clinic ahead of time so that we can best accommodate you.

I have read and understand the Rader Physical Therapy Clinic Patient policy. Help us help you.
